

EYE BLIND GHOST

It's a story in Bootham school about a ghost that called eye Blind Ghost. He studied in this school in 1713. On July 13th day of July on Friday Charles Smith disappeared from his room 313 on the middle of the night. In the morning they found his eyes on his bed. He was shocked. This kid didn't have any parents, he had only his grandma. When housemaster found out that his grand left England before he died. He went to boy's room, but the eyes weren't there anymore. Housemaster locked this room for everyone.

From beginning 1913 in the night time.

I came to this school last year. I was doing my prep, in the library, I went to find a with other borders reading book. It was winter and you how dark it can get in the evening time. In five one seconds, the light in gone in the whole school. Every were shouting, but teacher and res grad told everyone to calm down. I fell over and dissapead and I saw red eyes light and the light said: "I need them!" and then he said "Give them back!" The light turned on again. After this I couldn't go to sleep. On the next day I tried to find something about it

what happend yesturday. It 8pm everyone gone already only Charles and Oliver stayed with me, but I still couldn't find out anything and then Oliver fou and old wardrope inside the wardrope it was a book with name on "Jack Aston Bramely!

When they started to read and we understood that the writer was a housemaster 1713. When Charles started to read on the page where it says about the monsterghost. When we read the whole story we understood that the ghost meant his eyes. We didn't know where to find eyes, but we read a bit further and we found out that eyes were in the housemaster's house. On the next day we went to the house. We found them in the old vbox. After prep we went to the field, puted box on the ground. The ghost took his eyes and left us, but we still don't what happened that night. |
